

*Electric Strikes*  
**GK200 Series**  
*Weatherproof Solution  
for Gates or Semi-outdoor Applications*

The GK200 series electric strike is designed for use with cylindrical or rim locksets and made with one piece cast zinc alloy construction. The weatherproof strikes are used for gates or semi-outdoor applications.

### Standard Features

- One piece cast zinc alloy construction
- Weatherproof strikes
- Uses with bored cylindrical locksets or LS-2200 door latch (For GK200/250/255)
- Static strength 1,000 lbs (470Kg)
- Fail-secure
- Non-handed fully reversible
- For inswing doors
